WORLD EXCLUSIVE!

HUGE JUGS SHOCK!

Model has massive cans!

IN NEWS just to hand, it's been shockingly revealed that 26-year-old Ukrainian model Demmy Blaze has MASSIVE TITS.

This stunning development came to light when she took off her top recently and more than a dozen people were hospitalised with STIFFY-RELATED injuries.

Details are sketchy at this early stage, but our CRACK team of investigative reporters have been able to confirm that Demmy's 34H norks:

- Are ONE HUNDRED PER CENT natural
- Were NOT caused by fallout from a nuclear reactor explosion
- Can be seen from SPACE
- PROBABLY require a bra made from a CIRCUS TENT and the ribs of a BLUE WHALE

"From the age of 16 my boobs were already getting very big," explained Demmy. "The boys at school would just stare at me – but they were far too nervous to come and talk to me."

The funbag fairy wasn't done with her, however. "My boobs kept growing. Then one day while I was working in a shop, a man came in and asked how big they were. I thought he was a pervert, but it turns out he was a photographer. And that's how I got my big break."

Crikey, readers! More news as it comes to hand. Stay tuned.

HARD!

Jenny McClain will save the day!

WHO doesn't remember Bruce Willis as John McLane in *Die Hard*? *Die Hard 2*? And... erm... all the rest?

Any situation, any time, any place, all he needed to do was show up and you knew everything was gunna be alright.

That's the way we feel about Czech glamour model Jenny McClain.

'Cos no matter how crap you were feeling, how shitty your life was going, no matter how many FOREIGN TERRORISTS were holding your wife hostage in a skyscraper primed with high explosives, one look at Jenny's all-natural, F-cup PEACE-KEEPERS and suddenly everything would be sunshine and fucken roses.

We won't kid ya – Jenny McClain is probably NOT her birth name, but at least she picked something sane, instead of Missy La Rue Pole$haft McCrackenburger or something.

The 32-year-old comes from Prague, a city with so many dick-hardening stunners the streets are littered with the corpses of

MORE OF JENNY'S JUGS!

blokes who have walked in front of buses BEDAZZLED by the talent.

But even in that environment she stood out like a moment of sincerity at a political campaign launch.

Soon after unveiling her whatchamacallits for the first time, she soon became known as the owner of one of the finest EURO RACKS in the business, but being a home town girl she continued to ply her booby trade in the Czech Republic, not succumbing to the bright lights of Hollyweird.

Yes, she has helped resolve many a hostage situation in her time, mostly where blokes were being held to ransom by their UNRULY HARD-ON and needed help in beating it into submission.

'Cos she's very good at that.

So there's not much left to say, except...yippee-ki-yay, motherfuckers!

EXTRA! EXTRA! READ ALL ABOUT TIT!

LOS ANGELES!

Library porn gal Kendra Sunderland felt she needed some revision, so it was tits out and back to the books. We dunno what she studied, but it sure looks like fun.

CROATIA!

Agatha protects her snowy white num-nums from the harsh sunshine in Dalmatia, that place where the spotty dogs come from. How do ya think they got so spotty, eh?

HAMBURG!

Those Femen gals got busy with their Black & Deckers on International Woman's Day, tearing down a gate into Herbertstrasse, part of Hamburg's red light district.

VENICE!

Containing Seppo model Kelsey Berneray's H-cup hooters is like herding cats – just when you think you've got 'em all rounded up, one always escapes.

KRAKOW!

The historic Polish city was refcently honoured by a visit from Polish/American porn star Tracy Maura, who let it be known she doesn't own any underwear.

LOS ANGELES!

Actress. Model. Reality TV star. Bloody hell, is there anything Pommy spunk Carla Howe CAN'T do? Well, apparently wash her top without shrinking it.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

SCAFF-ULPTURE

FUCK slopping about with clay or chipping away at chunks of marble – Pom artist Ben Long makes his sculptures out of SCAFFOLDING. Ben can knock up a 10 metre high sculpture of a doggie, horsie or DEER in about three weeks. Then six months later he pulls 'em apart and starts again. "These monuments reflect the change and evolution that the urban environment is constantly subjected to," he reckons. Hey, that's what we were gunna say!

GEEZER POWER!

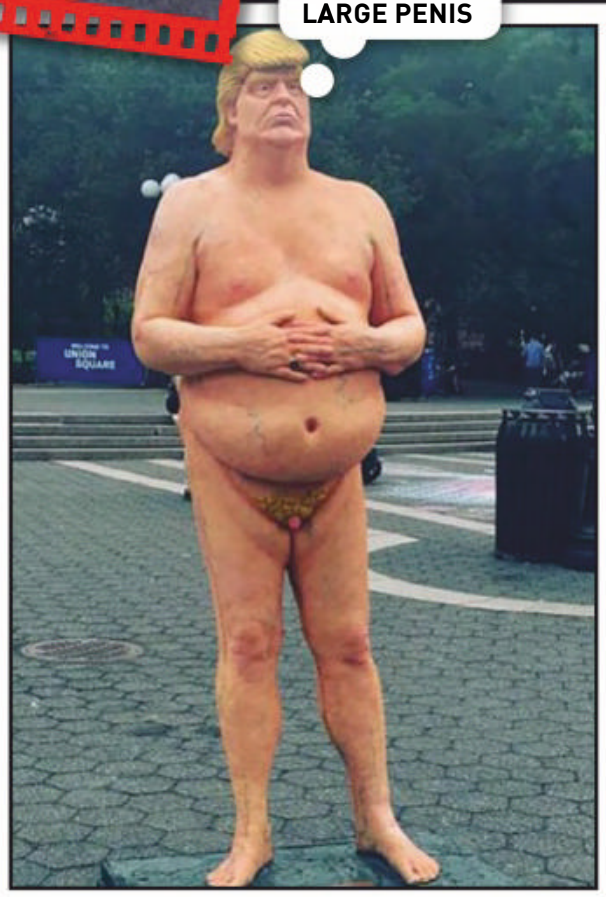
ENGLAND'S oldest bloke has told the queen to FUCK OFF. Maybe not in so many words, but that's the message we got when 111-year-old ex-teacher Bob Weighton told Her Maj to stop sending him birthday cards. "I don't see why the state should pay for the Queen to send out all these things," said the old codger. "I thought 'that's enough', but I might consider another one next year if I live that long." When asked the secret to living so long, Bob said: "Avoid dying." Yeah, that'd do it.

ICED BOZOS

THOSE whacky Seppo surfers who hang 10 in the freezing waters of Lake Superior in the middle of winter have been at it again. Daniel "Surfer Dan" Schetter and Allen Finau hit the waves in the middle of the recent polar vortex weather event which froze half the US, catching a bit of sloppy shore break before their boards iced up and they had to resort to playing King Neptune for the camera. The pair regularly surf on the lake in sub zero temperatures.

DEADLY DONGER

AN INDONESIAN fella was forced to show cops his COCK to prove he didn't kill his wife. The bloke's father-in-law had claimed the man had killed his daughter by forcing her to have sex despite the fact he had an UNFEASIBLY LARGE PENIS. So cops in Maron Kidul, in eastern Java, made the accused bloke drop his dacks to prove his innocence. "After seeing directly the genitalia that was thought to be over-sized, it turned out to be of a standard size," said the local police chief. Turned out the bloke's missus died of epilepsy.



JUST CHILLIN'

TOTALLY SHARKED

THIS gnarly noggin was all that was left of a fucken YOOOJ mako shark after an even fucken YOOOJERER shark chomped it to pieces. The shark head, weighing about 100kg, was pulled in by fisherman on the NSW south coast. "So this was all we got back of this monster mako," he wrote. "Unfortunately we didn't see what ate it but must of been impressive!" Experts have been weighing in on what bit it, with some suggesting it could have been a tiger shark or a killer whale. But the smart money seems to be that it was a probably a monster white pointer.

WHAT A RIP OFF

A POM who was in hossie for a quick look-see at his bladder ended up having the end of his DICK cut-off. The patient got an unwanted circumcision after his file got mixed up with another bloke's, and the staff wheeled him in to the operating theatre at the University Hospital of Leicester and set about cutting his schlong. Bosses at the hospital are investigating how it happened. They can't sew the extra bit back on, but. The hospital's got a track record of fucking things up, with patients getting the wrong ops, and one getting a hip replacement on the wrong side.

WE DREW A COCK ON IT #341

FARKING MI

Mel Debling's chesticles should have a WIDE LOAD sign on them

IT DOESN'T matter how many stacked Pom babes we see, we never get sick of them. From Lucy Pinder to Sophie Reade to Holly Peers, we've afforded each and every one the appreciation and PERSONAL TIME they truly deserve.

And that's why we're stoked to show you these BRAND NEW photos of boobtacular Mel Debling, who might just be the most wank-worthy of them all.

We love Mel's tits. You love Mel's tits. But what does Mel think about Mel's tits?

Beautly, like the rest of us, she BLOODY LOVES 'EM!

"I really love my boobs. I get them out everywhere," she told us a while back. "I've done shoots everywhere and got them out all over the place."

But she admits that on nights out with her mates, she'd be too busy boozing and dancing around her handbag to give us a flash. But that's OK with us – these piccies will do nicely.

Cheers, Mel! Love ya work!

BUNCH OF SLAPPERS!

Russians get cheeky at Slapping Championship

SEE, this is what happens when it's 40 degrees below freezing and people drink vodka for breakfast – they go nuts and start slapping each other silly.

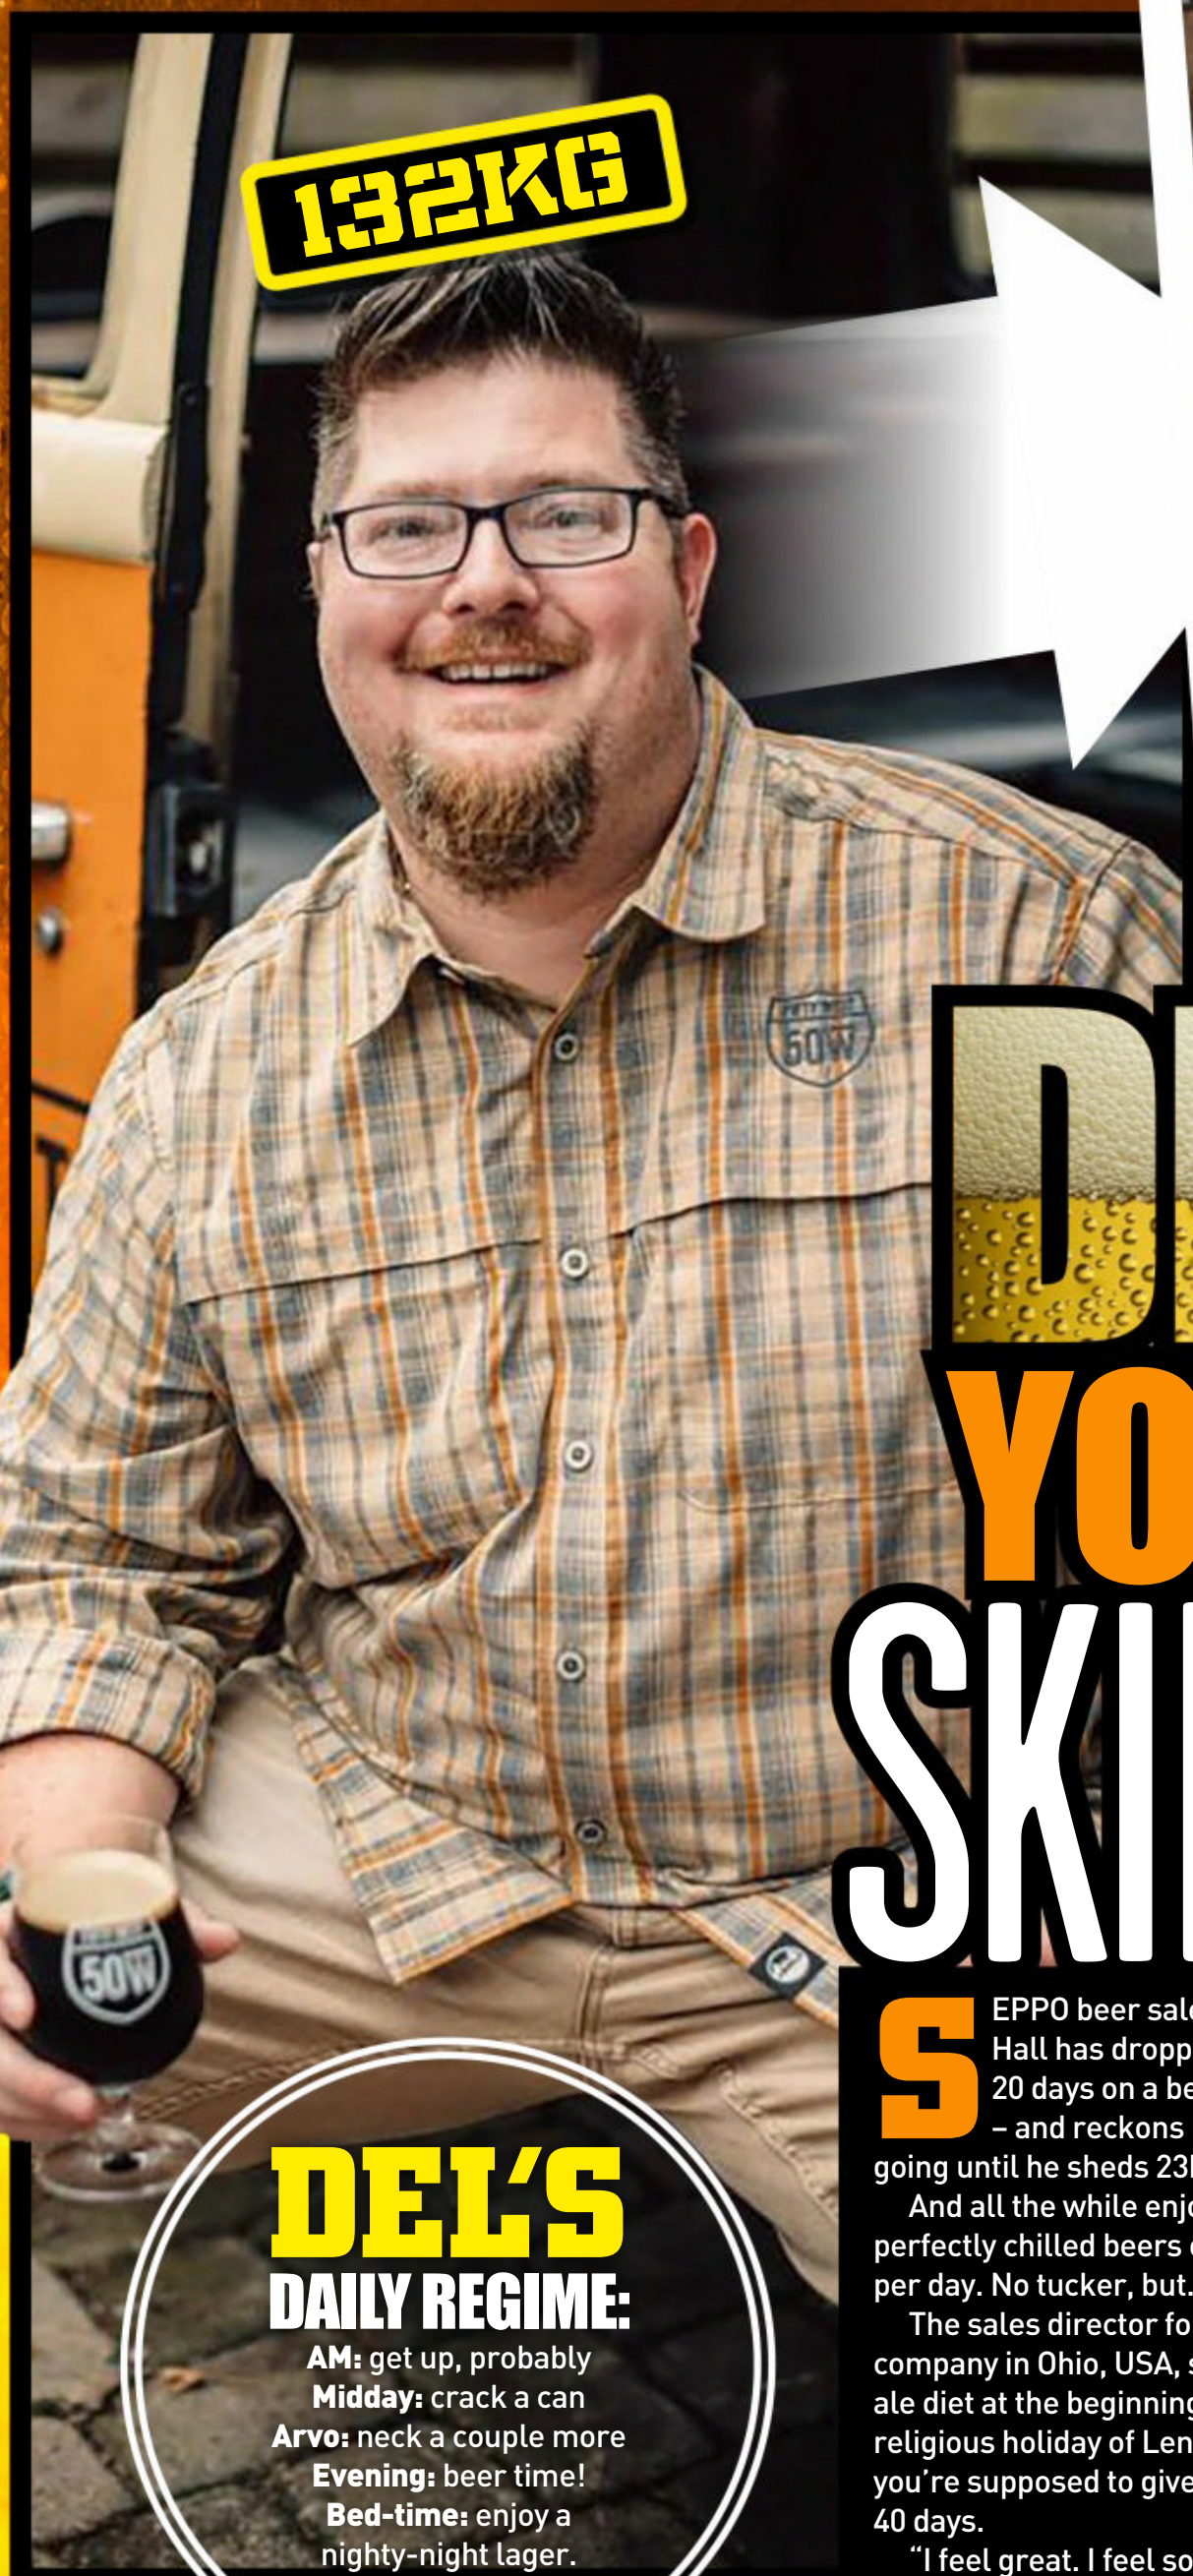
We can only figure that the folks in Krasnoyarsk – a joint so far out in the boondocks of eastern Russia that it's closer to Beijing than to Moscow – were a bit starved for entertainment when they came up with the idea of the first Russian Slapping Championship.

It's a simple concept – two blokes stand either side of a dais and take it in turns to slap the shit out of each other, until one gives up, is disqualified, or starts CRYING.

Contestants can't duck or block a slap, they just have to stand there and take it, like good Russians should.

And slaps ain't just slaps – sure, there were some delicate little taps, then some huge, hairy Yeti with hands like hams got up and belted seven shades of fuck out of the competition and walked away with the 30,000 rouble ($600) prize. Hooray!

We're booking our holidays there for next year's comp! ■ Picture



DRINK YOURSELF SKINNY!

. . . on the all beer/ no food diet!

SEPPO beer salesman Del Hall has dropped 12kg in 20 days on a beer-only diet – and reckons he can keep going until he sheds 23kg of flab.

And all the while enjoying five perfectly chilled beers of his choice per day. No tucker, but.

The sales director for a beer company in Ohio, USA, started his ale diet at the beginning of the religious holiday of Lent, when you're supposed to give up stuff for 40 days.

"I feel great. I feel so much better than when I was eating a standard American diet," he belched happily.

"I have my first beer of the day around noon and I don't have any hunger anymore."

One benefit of the diet is that Del gets good value out of his beers now.

"Beers are affecting me a lot more. I actually feel one beer now. So my limit is five pints a day.

"Going into it I thought that I may lose 40lbs (18kg) but now I'm already down 26 (12kg) and I'm not even half way through. I may lose 50 (22.5kg) – who knows?"

Hooray for beer! The Picture

Avalon Burnout comp delivers the goods

PUNTERS at the 2019 Avalon Burnout Comp could be forgiven for having litres of DROOL running down their flannos after being treated to an epic afternoon of BURNOUTS AND BREASTS.

Kicking it off was the burnout comp, with a tasty main prize of five grand, and after a few hotly contested rounds of coloured smokies, popped tyres and enough burnt rubber to make the ENTIRE GREENS PARTY cry, it was Tim Brown who walked away with the cash.

After that revheads delight, it was time for the wet t-shirt comp and boy was there a SMORGASBORD OF SUCKBAGS on display – big tits, small tits, perky tits, droopy tits, tits as big as your head, you name the tit, it was there.

YRES!

Tim can use the cash on new tyres

WINNER!

HOLY SMOKES!

NOW WHERE'S THE SLIP 'N' SLIDE?

LOOK MA - NO HANDS!

And while we loved ALL THE TITS, there could only be one winner. Taking out the title and an easy thousand bucks was Jessie, who cemented her spot as number one by finishing her round off with a COCK-STIFFENING pole routine.

Random rudeness makes our day

SHOW US THE OTHER ONE, LOVE!

BIT BREEZY IN HERE...

It's staring at us!

FRUIT AND VADGE!

OF ALL the big trends of recent times – we're thinkin' ripped jeans, dick pics, hitting people with EGGS – our favourite has to be chicks getting their bits out randomly in public.

Whether it's down the shops, having a coffee in the local café, playing on the swings – sorry kids! – or just sashaying along a busy street, the sight of free-range tits and smoo always makes the day better.

So if you cop a random flash from a hot spunk in the street, the mall, or in the queue for beer at the footy, be a gentleman and take the time to thank her politely.

Manners cost nothing, y'know.

NAUGHTY BUT SPICE!

Ginger and Scary's lezzo romp revealed

THE chance of the Spice Girls' reunion tour selling out just improved by about a million per cent with the HORNY revelation that two of 'em shared a LEZZO ROOT back in the day.

No prizes for guessing one of 'em was Mel B, aka Scary Spice, 'cos tales of her rooting life with blokes AND sheilas are legendary.

But we were SHOCKED and STUNNED to find out that the other one was Geri Halliwell, aka Ginger Spice.

We figured it would have been Sporty, or maybe Posh at a pinch. But Ginger? Fark!

But it's all kosher. Mel blabbed it on a talk show, telling dickhead host Piers Morgan: "It just happened and we just giggled at it and that was it. She had great boobs."

She also predicted that Geri wasn't gunna be happy that the story had come out. "She is going to hate me for this, but it's a fact."

Which was SPOT ON – Geri was apparently SHITTING BRICKS, cos these days she's all respectable and that.

Odd thing is, she actually 'fessed up to it herself a few years back without naming names. "I was drunk at the time," she said on a radio show. "I don't mind boobs but the OTHER BIT is not my cup of tea," she said.

But that doesn't stop us hoping their concerts will end up lezzo fuck fests with all of them doing each other with big buzzy toys and spraying the first few rows with their MUSTY LOVE NECTAR.

We might even buy tickets!

YOU WON'T BELIEVE YOUR EYES

HARD ROCK

And you thought climbing up on next door's roof to get your cricket ball was scary. Seppo climber Alex Honnold shinnied up this 900m high vertical granite rock face called El Capitan with no ropes or those little metal things you bang into the rock, nothing except his fingers and toes and a little rosin. And a packed lunch, probably. He became the first bloke ever to do a free solo climb of the big boulder in California's Yosemite National Park, where 30 people have carked while climbing in the past 100 years. As captured in the doco *Free Solo*, it took him a little under four hours, which is, quite frankly, fucken amazing. It would've taken us at least five.

HIGH AS A KITE!

PENIS FLY TRAP

It's the dick that eats bugs!

THIS may resemble your own beloved todger, but trust us, you wouldn't want to have one in ya pants.

The nepenthes, also known as the tropical pitcher plant, is a bug-eating monster that hangs out in the jungles of south-east Asia, New Guinea and Indochina.

To get a feed, it flips its COCKHEAD back and tempts the victim inside with the promise of a feed of some tasty, sticky liquid – sound familiar, readers?

Mostly they just eat flies and mozzies and stuff, but occasionally a bigger nepenthes will chow down on a lizard, a frog, or even – for Ron Jeremy-sized examples – a fucken RAT.

But for chrissakes, DON'T TRY THIS AT HOME. You don't wanna have to front up at the emergency department with a fucken BLOW FLY stuck in your JAP'S EYE. Picture

WHO:
Bosnian basketball player Jusuf Nurkic

WHAT:
Snapped his leg like a twig

WHERE:
Portland, Oregon

WITH all that leapin' around on hardwood floors, you just know basketball isn't good for your body. Especially the leg bit.

Just ask Portland Trail Blazers centre Jusuf Nurkic – when he's stopped SCREAMING IN FUCKEN AGONY, that is.

The big, boofy Bosnian went up to make a rebound in an NBA home game against the Brooklyn Nets, and when his 127kg, 2.11metre frame came back down his left leg just sorta said: "Nah. Can't take this," and folded like a cheap deck chair, chucking a right-angle turn halfway down the shin.

The play continued as Jusuf had a bit of a lie down, with one of the commentators saying: "...and Nurkic is in pain."

Really, mate? Ya think so?

It didn't help matters that the ref gave the big fella's badly busted leg a bit of a kick as he hurdled him.

But that's basketball, eh. It's not all private jets and partying with Playboy bunnies.

We'd do our usual thing and tell Jusuf to GET UP YA SOOK, but looking at that leg we'll just say, stay where you are, mate.

No hurry. Take your time. ■ Picture

100% POLITICALLY INCORRECT!

A TAXI passenger tapped the driver on the shoulder to ask him a question. The driver screamed, lost control of the car, nearly hit a bus, went up on the footpath, and stopped just centimetres from a shop window.

For a second everything went quiet in the cab, then the driver said, "Look mate, don't ever do that again. You scared the absolute shit out of me!"

The passenger apologised and said, "I didn't realise a little tap would scare you so much.

The driver replied, "Sorry, it's not really your fault, mate. Today is my first day as a cab driver. I've been driving a hearse for the last 25 years."

A BLOKE was walking in the street when he heard a voice say, "Stop. Stand still. If you take one more step, a brick will fall down on your head and kill you."

The man stopped and a big brick fell right in front of him. The man was astonished. He went on, and after a while he was going to cross the road.

Once again the voice shouted, "Stop. Stand still. If you take one more step a car will run over you and you will die."

The man did as he was instructed, just as a car came careening around the corner, barely missing him.

"Where are you?" the man asked. "Who are you?"

"I'm your guardian angel," the voice answered.

"Oh yeah?" the man said. "And where the hell were you when I got married?"

AN ELDERLY Aussie bloke arrived in Paris by plane.

At the French immigration desk, the man took a few minutes to locate his passport in his carry-on bag.

"You have been to France before, Monsieur?" the immigration officer asked sarcastically.

The elderly bloke admitted he had been to France previously.

"Then you should know well enough to have your passport ready."

The Aussie says, "The last time I was here, I didn't have to show it."

"Impossible. Australians always have to show their passports on arrival in France!"

The old fella gave the French immigration officer a long hard look. Then he quietly explained, "Well, the last time I was here, I came ashore on D-Day in June 1944, and I couldn't find any fucken Frenchmen to show it to."

"Sorry, he's batting," said Smith.

"No worries," the caller replied. "I'll wait, he won't be long."

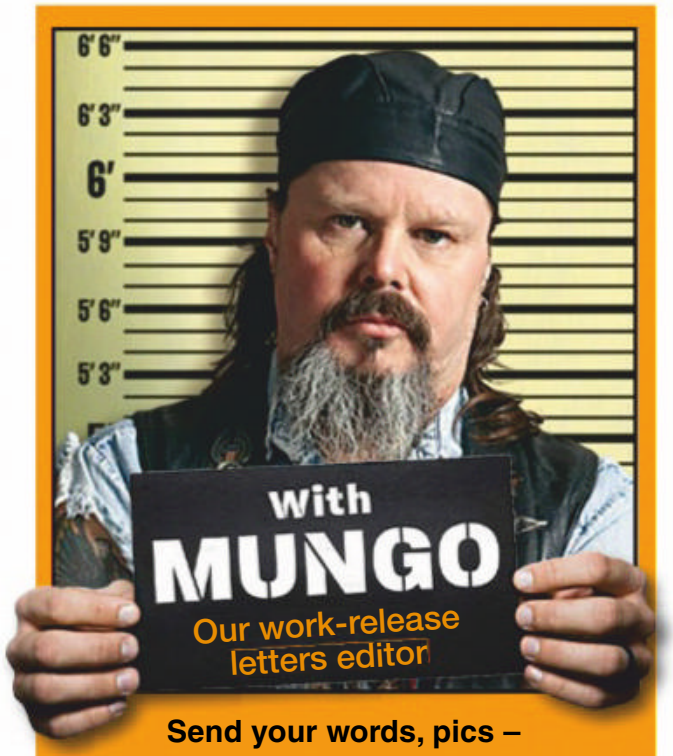
GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

WHERE'S CARL?

MUNGO, where's our old mate Carl Lagerfuelled these days? He used to pop up regularly in the pages of THE PICTURE but we haven't seen any of his in-depth reports for quite a while. I hope he's not crook or anything. Please get him up and doing more hot stories – I really admire his outlook on life.

J.K., LAMBTON, NSW

MUNGO SAYS: Easier said than done, mate –half the time we don't know whether Carl's kickin' back in his cardboard box or out on the piss up the Goldie. We did get a postcard from him a while back. But we'll get the lazy prick working again soon, don't worry.

TURN THE PAGE

G'DAY, big fella. I've got a dead ringer for Attack of the Clones. Issue #1477, Mobile Homies. Take Hazel from pineapple country, glue a head of the absolutely gorgeous Kylie Page on and vwalla! Whaddya reckon Mungo?

TODD, SHOALWATER, WA

MUNGO SAYS: I reckon you need to learn to spell 'voila'. Other than that, I agree with you. Hazel could be Kylie's body double. Maybe from the neck up she looks like Marge Simpson, but from the Adam's apple down she's a Kylie look-alike. Just not our usual kind.

VICTORY BEER!

WITH ANZAC Day coming up, I thought I'd share this photo I found of these WWII diggers in what looks like North Africa spelling out 'VB' with empty longnecks in the sand. I didn't even know Veeb went back that far, it'll make me look at my next coldie with a greater respect for history.

A.L., ESSENDON, VIC

MUNGO SAYS:VB hails from the 1890s, I think. Dunno where they would've got the longies from over there, but. Maybe there was a drive in bottle-o near Tobruk. One of the great things about VB is that it's easy to spell. It would have taken them fucken ages and a shitload more bottles to spell 'Heineken'.

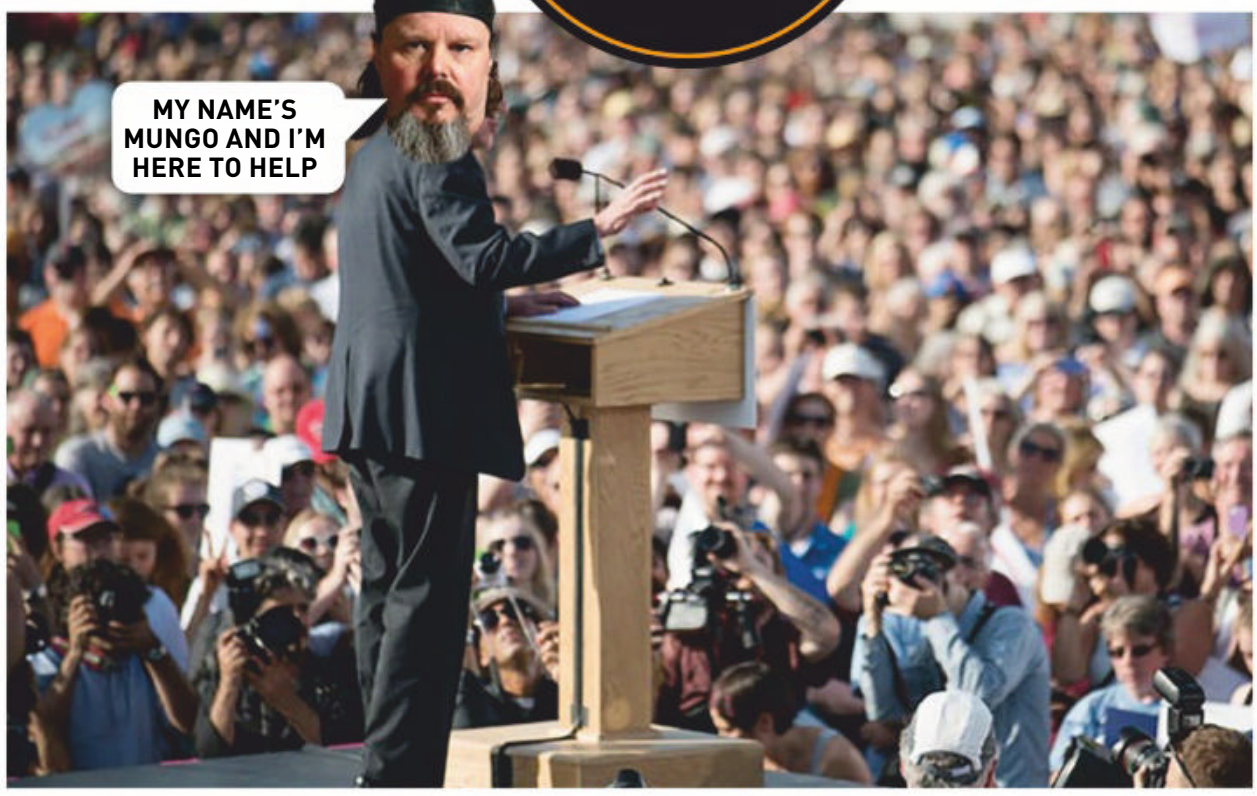
MUNGO ON TOUR



MUNGO, it seems that the way to earn a buck these days is to go on the lecture circuit and stir up enough shit so the politically correct wankers come and protest against you, thus giving you heaps of publicity and ensuring a sell-out. So when are ya gunna tour Australia giving us the gospel according to Mungo?

H.L., PERTH, WA

MUNGO SAYS: I suppose I could bung together a bit of a show and take it on the road. Give a few life tips, show slides of the Valiant, take some questions and sign a few autographs. I dunno whether I'd be controversial enough to get the ratbag protesters out, but. How about this – eat more coal! That might get 'em fired up.

SHE DRIVES ME CRAZY

GREETINGS, oh Great One, for the last few years I keep seeing this absolute spunk presenting TV ads for Ford. Mate, she gives me the horn so bad, I am shocked that she hasn't been in your epic magazine. Every time I see a Ford ad, I'm dreaming of one day opening THE PICTURE and seeing her staring at me from the centre fold. Please, oh Great One, please convince her to pose for your great mag.

M. S., RAGLAN, QLD

***MUNGO SAYS: There are some things beyond my power, and getting Aussie actress Ngaire Dawn Fair to do a shoot for us is one of them. Sorry. But you're not the only one with the hots for her – half the blokes in Oz want to drink her bathwater. You can check her outstanding body – OF WORK, you pervy bastard! – in TV from* Neighbours *to* Offspring, House Husbands *and her finest role as a sexy hooker in* Satisfaction.**

MUNGO WANTS TO KNOW...

Is it overdoing it to put mag wheels on a ride-on lawnmower? Only I don't want to look like too much of a lair.

IN BED WITH KIKI

QUANTITY OR QUALITY?

DO LADIES usually prefer it when a guy works his way through five or six positions during a sexual encounter, or when he sticks to one or two?

BIG DADDY, VIA EMAIL

***KIKI SAYS:* Big Daddy, are you making your fuck buddies cum in ALL these positions? If the answer is no, then stick with the positions you're best at. Don't be a jack of all trades and master of none – at least nail something. However, if you ARE making these girls cum in all five or six positions, I really think we need to meet!**

PORN PROBLEM

I LOVE watching porn, so I decided to introduce my new missus to it to spice up our sex life. Bad idea! She said it was disgusting and went home! Do you have any suggestion for the sort of movies I could show to her that wouldn't send her running?

CHOOK, BRISBANE, QLD

KIKI SAYS:* You need to start off with a bit of X-Art and get her involved by letting her choose the storyline. If you're introducing your girlfriend to porn for the first time and you hit play on something like Backdoor Gangbang Sluts *then I kinda get why she may have left...

PENCIL DICK

MY DICK'S really long and thin – like a pencil – which is a problem when it comes to rooting. It's hard to keep a frangas on and girls often laugh at it, so what are my options? What do you think the perfect size is?

WEIRD WANG, VIA EMAIL

***KIKI SAYS:* Draw me a picture, Mr Scribble! If you have to ask what the perfect size is, you've got other problems mate. Get out of your own head and learn how to use what you've got. Take control, be confident, spend extra time eating the pussy, and don't be afraid to stick a finger in the other hole while you're going at it.**

PHOTO BOMBED

I'VE been flirting with a girl in the office, and after a few beers last weekend I thought it would be a good idea to text her a photo of my dick. I was pretty proud of it, but she sent a message back saying she was going to the boss to make a complaint about sexual harassment. Where did I go wrong?

RYAN, VIA EMAIL

KIKI'S SEX CONFESSION

"I was getting double-teamed by two guys I met on a night out. One guy was pounding my pussy from behind in doggy, and the other was on his knees while I made a mess with my mouth on his dick. The guy behind pulls out and his load shoots so far, it accidentally lands on his mate's face."

***KIKI SAYS:* How many times have I said 'NO DICK PICS'?! You gotta leave a little mystery for the girls, otherwise it won't work. Every boy is proud of his dick, but this girl is obviously seeking a man. If you get drunk again and take a pic of your buddy, make sure he's disguised wearing a sombrero and moustache.**

MOUTH TO SOUTH

I LOVE watching you fuck guys on camera. One thing I noticed is that you can deep-throat. How the hell do I teach my missus how to do that? Maybe you could come around to my place and show her. Purely educational, of course.

MICK, BRISBANE, QLD

***KIKI SAYS:* Awww, you're a sweetie Mick! Can you believe that former Home Girl Saffron taught me how to deep-throat back when I was 18! Your missus can be taught too, but it takes practice and she has to be willing to overcome the gag reflex, which is impossible for some. Happy to pop over and help sometime. Maybe I should put together a little video - Deep Throating 1.0.**

HANDS OFF!

IS IT normal that I never touch myself? I'm a 22-year-old bloke and my mates are always talking about wanking, but I just don't like it. I've had sex a few times and think it's great, but pulling my pud doesn't do it for me. Am I weird?

RICKY, VIA EMAIL

***KIKI SAYS:* So, you're 22, straight and you DON'T like milking the monster? Sure you're doing it right? Try getting some lube, pull up one of my videos and start rubbing one out. That's a tried and proven technique that'll have you hooked for life.**

EQUAL OPPORTUNITY ROOTING

I'M HAVING an issue right now. I'm a big advocate for equality and all that stuff, but I only like Asian women. One of my mates reckons I'm a racist because of it. Does that make me racist?

SIMON, SPRING HILL, QLD

***KIKI SAYS:* You love the Asian muff, and that makes you racist?! Being labelled a racist based on who you root is the dumbest shit I've ever heard. It's called sexual preference. Stick your dick in whatever pussy gets you raging hard, mate!**

PIN-UP

IT'S MAC TIME!

GET READY FOR MAC ATTACK!

CUTE-as-a-bugs-ear fuck bunny Abigail Mac has made a helluva lot of lezzo porn in her seven year career, much of it involving big, buzzy toys.

From Abigail Loves Girls through to Yoga Girls 2, she's licked, fingered and SCISSORED some of the finest lezzo talent the porn world can muster. But don't get the wrong idea. She still loves the dick.

In fact, given the choice, she'd take dick over a dildo any day.

"If I want anything in my vagina, I'd rather it be a penis," she explains.

"I'm not a toy fan. There is a reason – most toys are made out of pretty rigid materials and my vagina is very sensitive. It can hurt. I prefer a girl use her tongue or fingers. So if I'm going to put something in my pussy, it'll be a dick."

So there you go. Hooray and bless us all. Penises are still OK by Abby, thank dog. That's not to

“I PREFER
A GIRL
USE HER
TONGUE OR
FINGERS”

ABIGAIL
#1480 PIN-UP

say she doesn't thoroughly enjoy the CLUNGE-MUNCHING aspect to her career, though.

"I'm horny, and girls know what makes other girls cum. We know a woman's body. We know how to take care of it, I think."

And that even applies when the other chick isn't quite as into chicks as Abby is – what's known in the biz as a 'lay for pay' lesbian.

'Cos Abby's got a cunning plan for that. Tee hee!

"I've only had that happen a few times," she says. "So when I'm paired up with one, I'm just extra dominant. I'm very vocal as well, so I'll tell a girl what I want her to do. If I say it, they're probably going to do it! I'll even grab the back of a girl's head and shove her into my vagina," she chortles happily.

"If you treat a girl who's not lesbian or bisexual more like a man, she'll be more into it."

Yeah, that makes sense... sorta. But probably what we REALLY want to know is – what gets Abigail Mac wetter than an otter's pocket?

"If people are really into me and really trying to fuck me, that's what gets me off. I'm like 'Wow, this is really hot!'" ■ Picture

MY WILDEST FUCK

READER'S ROOTS FROM AROUND OZ

GOING DOWN

WHEN I signed up to go white-water rafting, the last thing I expected was to meet a honey like Katya, who was one of the guides on the trip.

She was fit as fuck, and even while soaked through and paddling a rubber raft down some rapids she still managed to look incredibly spunky.

The sexual tension between us started to build and one night as we sat around the campfire she gave my dick a quick squeeze when no-one was looking, so I figured it was on if we could get the opportunity.

But as we were all sleeping in communal tents the chances of taking it any further seemed nil.

Then we had a rest morning half way through the trip, and people just lay around reading or snoozing on the river bank.

But Katya beckoned me over and told me to get in one of the rafts, which she expertly paddled out into the middle of the river.

As we drifted downstream she dragged me to the floor of the raft and slid out of her shorts, wrapping her legs around me and sliding my cock into her hot, wet cunt.

I couldn't believe what was happening and lay back to enjoy it – until I heard the rapids.

I near shit myself as we went over the first section, but Katya was laughing as she humped my brains out, occasionally grabbing a paddle to steer us away from a rock.

We bounced down about 40 metres of rapids with my cock still in her, then into a calm pool at the end, where I managed to blow my load in her as she popped a big 'O'.

Then she gave me a cheeky wink as she paddled us to the bank.

I'm pretty sure this wasn't the first time she'd done it, but I didn't care – apart from thinking I was gunna die, it was a great fuck!

JUNGLE LOVE

MY EX was a boring bastard who thought having sex in the loungeroom in front of the teev was the height of craziness, so no wonder I chucked him and went on an extended holiday to far north Queensland.

I was staying at hostels, partying hard and meeting lots of laid back guys who'd never heard of mortgages or long-service leave, but didn't mind sex on the beach at midnight.

I was having a great post-relationship, fuck-led recovery and thought I'd reached maximum laid-backness until I met Zac at a bush doof.

Zac was so laid-back he didn't have a last name, a job or an actual address – he lived in a tree-house in a patch of rain forest.

But he was tall and tanned and had a killer smile and abs of steel, so when he asked me back to his place I wasn't gunna say no.

I was a bit surprised when he pointed at the ladder nailed to a tree and said that's where he lived, but I was ready to be fucked, so up we went.

I immediately threw myself onto his huge bed, spread my legs and said: "Lick me!"

Boy, did he! Zac had the proverbial 10 inch tongue and I swear he could breathe through his ears 'cos he stayed down there until I came all over his face.

As he climbed on top of me to slide his big cock into my dripping smoo, a huge blast of thunder signalled the start of a tropical storm, and Zac started grunting and howling like a wild animal.

I got the idea straight away, and I started howling, too.

Soon we were hooting and screaming like crazy, with thunder and lightning cracking and lashing rain all around us and we fucked like wild jungle beasts.

It was totally animalistic and the craziest sex I've ever had. I don't think I can ever go back to vanilla sex while watching *My Kitchen Rules*.

I TOOK a weekend out of town to go to this small music festival up the coast that I'd heard about through the grapevine.

I thought it'd be just a few hundred people in a field, some cool bands, a place to kick back, listen to some music and have a few brewskis.

But I wasn't prepared for what I saw when I got there – there were naked people everywhere and all sorts of crazy shit going on.

I'd stumbled into a major alternate lifestyle event, and it only got crazier as the day wore on.

There were plenty of joints being passed around, so in no time I was off my tits, and you know what they say, if you can't beat 'em, join 'em, so I got my gear off too.

Turns out dancing naked in a field is a great way to meet chicks, and soon I was boogying with Cherie, who had a great big bush and a beaut pair of tits which she kept swinging in my face.

Even though I was nude in front of stacks of people I couldn't stop cracking a big boner. As soon as she saw it Cherie grinned and started stroking it as we danced around.

I kept thinking we ought to nick off somewhere, but she seemed determined to fuck right there, and soon she was on her knees sucking my knob.

Cherie's sucking skills were second to none, and even with all the people around I could feel myself getting ready to come, so I lay her down on our pile of clothes and started growling her out.

We fucked for about half an hour before we both came, then I had a bit of a snooze.

When I woke up she was gone, and I was thinking 'did that really happen?' Then I started picking Cherie's pubes out of my teeth and realised, yep, it did!

GO HARD! GO HOMIES!

JESS // 27

AUCKLAND, NZ

We get all sorts of professions pop up in Home Girls. "I'm a porn star," says 27-year-old dark-haired spunk Jess. "I love it. I've made lots of porn. The world gets to see it, as it is on many sites all over the Internet. I love being photographed." ***Do you watch much porn yourself? For research purposes, of course.*** "I like watching movies. Girl-on-girl is sexy. I have slept with many girls. And I've done many threesomes with two girls and a guy." ***Sounds like you enjoy your work.*** "I love it." ***What about taking it up the wrong 'un? Rumour has it that is occasionally depicted on film.*** "No, not yet." ***We live in hope that your debut will be on our screens, real soon. Where else can we see you?*** "I love sex outside. The thought of maybe getting caught is good." ***We'll be following you around all the time. What is the best way to get you to orgasm, Jess?*** "Kissing turns me on. And I like being tied up."

BERRY LEE // 23

MELBOURNE, VIC

Sometimes you just need something to get a gathering going. Just ask 23-year-old ranga model Berry Lee. "All the girls and guys I tend to hook up with like my boobs." ***So you like a bit from column A and a bit from column B.*** "Sure do. I like to play in groups, too." ***What's the biggest gathering thus far?*** "About four years ago I was with six people; four girls and two guys. There was lots of doggy style, both anal and vaginal, while I licked someone out or gave the other guy head with help from at least one other girl." ***Sounds quite the get-together.*** "Reverse cowgirl was good, too. No DP, though. I really want to." ***Good things come to those who wait – and open both holes at once. What do you like about backdoor action?*** "It's naughty and feels amazing." ***We're feeling something a bit amazing right now. Now for a change of pace - what country do you most want to visit?*** "Nepal so I can go trekking. Also I'm sure I'd meet so many amazing people all with good life stories."

JESSICA // 28

SYDNEY, NSW

Your average Italian sheila LOVES spending time with friends and family, cooking, and speaking with a sexy accent. And by Christ, this 28-year-old stunner of a backpacker is no different, except for the fact she's fruit-picking in the NSW countryside at the moment. "I'm in the middle of nowhere," she told us. "I have to walk up to the hills for 30 minutes to have reception." ***Don't worry love, we'll be quick. Why did you send us in your photos?*** "That's a hard question. I'm a model and this is my work. I love it!" ***And we love you AND your hair. Both top AND bottom.*** "I love short hair, yes. This is me. People in Australia sometimes thought that I'm lesbian only because I have this style of hair. This is funny!" ***So you're definitely NOT a lezzo?*** "No. I go for guy… or maybe not! This is one of my strange thoughts I have." ***As long as we can watch. What gets you going?*** "I like funny and smart guys. It depends on the occasion. I don't have special requests. Except when some men looks at me in a special way." ***We're doing that now. Had any AUSSIE BEEF?*** "Unfortunately I didn't spend time with Aussie boys at the moment." ***You haven't lived. What's been your wildest travel root so far?*** "I have met a French guy on a train. After 10 minute went in the toilet to make sex. It was the smallest toilet that I have ever seen."

SARAH // 19

WELLINGTON, NZ

This tattooed, dyed-haired 19-year-old spunk is not short of hobbies. ***How do you kill time when wearing clothes?*** "I'm into painting, drawing, tattooing, pole dancing, music – both playing and appreciating – drinking, chain smoking and sleeping." ***A fine list. What about hobbies of the more horizontal type? Say, group sex?*** "Depends on the setting." ***Do you prefer to do it in an outdoor setting, then?*** "Sex on concrete really sucks." ***Maybe you need to bring your own pillow?*** "I've also done it in a bus and in a graveyard – oh my god." ***Dead set? What position gets you off most whether or not you are close to a large amount of rotting corpses?*** "Hmmm, doggy I guess." ***Appropriate in a setting full of bones, we suppose.***

GO HARD! GO HOMIES!

BONNIE // 22

SYDNEY, NSW

By the time you BAR UP over these ASTONISHING photos, backpacking Bonnie won't be in the country any more. "I'm going back to England in a few days," the 22-year-old told us back when we talked to her. "I'm not happy about it because I've been really enjoying the sun and the beaches, and it's going to be freezing cold back home." ***So you've been making the most of your time out here?*** "Yes, it's been fun walking around in a bikini. Guys always check me out when I do that, and they especially like my bum." ***It's not hard to see why! What's the most exciting thing you've done while out here in Oz?*** "I've spent a lot of time fanging around on boats and waterskiing. If it's fast and exciting and a little bit dangerous, I'm into it." ***Are you also into ROOTING?*** "Yes, I like to have sex every day because it keeps things spicy." ***You little ripper, Bonnie! Where do you like to root?*** "I don't mind doing the deed outside, either – my boyfriend and I once did it on the back of his motorbike." ***Ever had a threesome?*** "No, but I certainly haven't ruled it out for the future. I've never been with a woman before, but it might be fun." ***Have a safe trip back to Pomgolia, babe – and let all the fellas over there know they're the LUCKIEST bludgers on Earth!***

BRANDY // 20

AVON VALLEY, WA

If 20-year-old Brandy was the sort of thing you'd see on the average building site, you'd spend less time perusing THE PICTURE in the smoko shed. "This is the real me. The natural me. Most people are uncomfortable showing their sexy bits. I say, if you've got it, flaunt it." ***Top photo shoot. What gets you off away from the site?*** "I love it when I'm on top and he plays with and fingers my bum." ***Just fingers up there?*** "Some tongue action never gets turned down. And I like anal sex." ***Ever reciprocate?*** "With one guy I have done a little tongue action. I love to give as much as I love to get." ***What about strapping on a plastic dong?*** "No. Male penetration is not my thing." ***Have you ever had sex in a moving vehicle?*** "Yes. I was on a coach from Brisbane to Newcastle."

"I sunbake topless all the time"

DALLAS // 25

SYDNEY, NSW

Dallas, a 25-year-old student, remembers the day she was first inked up. "I went for my first tattoo the day after I turned 18. I got the Stars and Stripes on my arm, which now doesn't go with anything. I didn't cry, but I remember asking a thousand times beforehand how badly it would hurt. I feel like the older I get, the more they hurt." ***What keeps you going back for more pain?*** "I'm just the kind of person who thinks you've only got this body for however long, so why not?" ***Luckily you've got a pretty good body for the duration, too. Do you sunbathe nude or topless?*** "I sunbake topless all the time. I wish I actually felt more weird about it." ***Well, we're glad you don't.***

HOME GIRLS

GO HARD! GO HOMIES!

KATE // 23

DARWIN, NT

This beaut French woman has been showing her muff the Aussie sights for more than five months. But she's STILL been starved of local blokes for company. "I meet people from everywhere on my trip, but I don't meet a lot of Australian men." ***What should a local bloke do to make your acquaintance?*** "Be good boys. And be tall. But nice boys are what I like. Too many local men I've met so far aren't nice." ***Nah, they must've been KIWIS. What do you like about the body you've just shown the world?*** "My arse." ***Agreed.*** "My face, too. I dunno, everything." ***We're still agreeing. Now come on local blokes, be nice and that arse could be yours. Do you secretly want to be seen in the act?*** "I don't know."

KRYSTAL // 28

ADELAIDE, SA

Ruggies. Not only do they drain the pocket and interrupt important sports telecasts with requests to watch *Dora the Explorer*, they also cramp your rooting calendar. Just ask 28-year-old MILF and accountant, Krystal. ***How have your two sproggers affected your root count?*** "I have to wait for them to sleep. And I can't be too touchy-feely around the house. Everything stays in the bedroom." ***Lucky bedroom. What takes place in the there when peace has been restored?*** "I like to look as sexy as possible. And massaging turns into touching and rubbing and then I'm ready to pounce." ***Sounds like a slow start.*** "Foreplay is a must." ***What's the best way to play?*** "A gentle clitoris rub and nipple licking is enough to get me wet." ***Or a hose down in the back yard.***

EVE // 27

BUNDABERG, QLD

"One summer, during holidays on an amazing little island, my friend and I thought we were alone on the beach, so we decided to take off our clothes and take a skinny dip," says this 27-year-old French traveller. "When we decided to get out of the sea, our clothes were gone – someone stole them – and we walked naked to the hotel." ***No need to tip the concierge that day. Any other unusual places you have been naked?*** "In front of a drawing class." ***Which bit did you most like showing off to the budding Renoirs?*** "My bum. And I have had sex on the beach in the middle of the day, wrapped in a sarong with a lot of people walking by. I love outdoor sex; when you can't wait, and you need it right now." ***We like a girl who gets what she wants. Should a guy shave his pubes?*** "It depends on if there's a nice surprise hidden behind. But I'm not one to conserve a virgin forest, a summer cut is preferable."

LESYA // 23

MELBOURNE, VIC

Home decorators, take note. If you ever find yourself fixing up this 23-year-old blonde's house, "I love a mirror in a bedroom that I can see me and my guy in. It's hot to watch yourself being thoroughly fucked." ***We'd like some video footage to test your hypothesis.*** "I love watching porn. I like public sex. And cunnilingus vids, of course. I love to see a man do good work with his tongue. And I love my girl-porn novels. I'm reading one at the moment that has a hot scene with sex in the crowd at a concert. Combines two of my favourite things." ***Do you like public sex in real life?*** "I've had sex in the street against a car at like 5am. I'd been out all night with my guy and we couldn't stand the sexual frustration anymore. We had to have each other right there and then." ***Do you sleep naked?*** "Most of the time. And if not, I have silk negligees. They feel so nice on your skin."

METAL // 24

ELMORE, VIC

Metal here is a virgin. A MAGAZINE virgin, that is. "This would be the first magazine I've been in," the 24-year-old artist articulated. "It's really exciting! So I hope that I'm up to standard." ***Trust us, those bosoms of yours are RAISING THE BAR.*** "At the moment they are 6FF. Because I am so petite in size, and I can have trouble finding clothes that fit." ***Solution – don't wear clothes!*** "Some people don't think that they are very big. But generally, they get a standing ovation from people." ***What, apart from a standing ovation, makes you feel sexiest?*** "There is nothing sexier to me then working on and taking steps towards achieving my dreams. So, when I'm achieving something, I feel good, I look good and I feel sexy." ***Is there anything you'd like to achieve in the bedroom?*** "Threesomes. Whether it's with two guys or two girls. It's something I really want to try, it just seems like it would be a lot of fun." ***And what position do you like to achieve?*** "As mundane as it sounds, when a guy is either on top or behind. And I know this isn't really a position, but I also really like to deep throat." ***From our perspective, it's a great position to be in!***

SIMONE // 28

SUNSHINE COAST, QLD

This 28-year-old Italian reckons her bedroom is like her: simple and complete. ***Not sure about complete, but a few of the crew here could be described as simple. Who scores an invite?*** "Fairy. And wild." ***Fairies? As in little people with wings?*** "And a long tail." ***Okaaaay. What's a good position to get into with a fairy?*** "Actually, I meant fiery. The best position is like a panther." ***Climbing a tree and eating animals?*** "I'm not a monkey, but it could work in the bedroom." ***Any other animal shapes?*** "A cat. A tiger." ***Not a sea slug?*** "Not sure what that is, but I can be." ***We'll take your word for it.***

CHARLOTTE // 26

CANBERRA, ACT

Charlotte is yet another nude model who loves us. And it's not just 'cos we pay her. "THE PICTURE is great – so fun and so many beautiful ladies," The 26-year-old sexpot squealed. "I know a lot of publications go on about how they are redefining what it is to be beautiful, I really think that THE PICTURE does that. The girls in here are real and sexy." ***They sure are. Any love-ins with fellow models?*** "One time I was doing a shoot with another girl and we were in the 69 position. Just posing like you tend to do with those sorts of shoots and the photographer was fixing his lights and the other girl giggled and licked my clit. It was the hottest thing and we spent the rest of the shoot giggling and groping each other. I doubt the photos will ever be published because we weren't really looking sexy in the pics, just horny and dorky. I wouldn't mind getting a copy off the photographer for my spank bank though!" ***And we'd like a copy, too.***

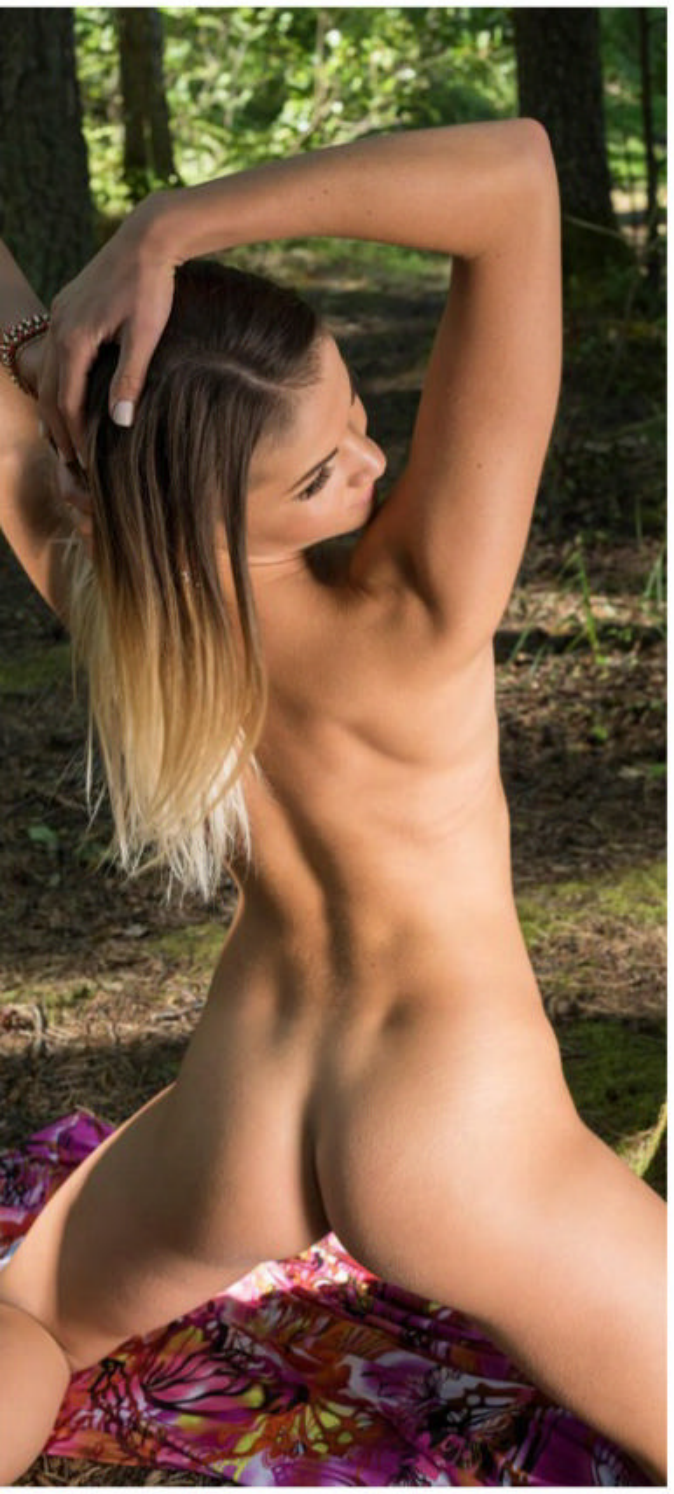
MONIQUE // 22

SYDNEY, NSW

When 22-year-old Monique encourages you to shoot your load, don't go jumping to conclusions. "I love guns and the power they have behind them. You have to love a guy who knows how to handle something like that." ***What sort of guns fire you up?*** "The typical hunting ones used for pigging and on goats." ***Are you a hunter yourself?*** "I don't go hunting any more now that I live in the city. Back when I lived in the mountains, I used to go along." ***Would hunting be more socially acceptable if people followed your lead here and did it naked?*** "Of course. Anything is more acceptable and fun naked. You might have to wear a little fur or something over your boobs to keep you warm, but the rest should be nude." ***Then we can definitely call you a crack shot.***



ALEEYA // 25

PERTH, WA

Most girlfriends whinge forever about their blokes enjoying the odd drink, so Aleeya's boyfriend's onto a winner: "I need to be with a man who can drink me under the table," chuckled the 25-year-old promo model. "The other night I got really drunk on vodka and soda and ended up stripping off and dancing around on a table." ***Well you've got the body for it!*** "Thanks, I particularly like my boobs because they're 100 per cent natural and extremely perky." ***What's the best way to get you off?*** "I really enjoy getting dressed up, and then putting on a naughty strip show for my boyfriend – and he doesn't seem to mind it, either! After that, it's fun to make a sex video of us." ***We'd like to see that! What else do you get up to in your spare time?*** "I go to the gym every day, and it's so funny to watch all the guys checking me out. I can't blame them, though, because I do look pretty good!" ***Got any fantasies?*** "I'd like my boyfriend to walk in while I'm going down on another girl. I've been with a number of women before, but I've never had a threesome, and that would be the perfect way for it to happen." ***Good luck with that!***

LILAH // 22

MELBOURNE, VIC

The Dutch got to Australia well before James Cook rocked up to Kurnell. And if this firm-boobed 22-year-old blonde is any indication, it's a pity they didn't hang around a bit longer. "I must admit I've made quite a few sex videos." ***Hang on, we're just getting the popcorn and some hand cream.*** "But I always watch them with the guy I made them with and then erase them." ***Damn and blast.*** "Watching your own homemade porn is scary and exciting at the same time. I have high standards." ***We promise we'll wax if you give us a go. Do you ever get more than one co-star?*** "Yes I have had threesomes, but I'd still like to have one that is actually memorable." ***Yeah, we get that pissed before climbing into bed, too. Where is the weirdest place you've had sex?*** "I love sex in public and outside. It's naughty and exciting. Two years ago me and a German guy in Thailand swam to a longtail boat, climbed onboard and had amazing sex. But I still want to have sex in a garden while it is pouring rain." ***That's the perfect way to catch a cold, Lilah!***

EMILY-RAY // 23

MELBOURNE, VIC

Unless you've gone blind from WANKING too much, you can see that Emily-Ray is in a BATH TUB in these photos. Well, when we called her up for a chinwag we were AMAZED to discover that she was in a bath tub that time, too. The only conclusion we could come to was that she does, in fact, LIVE IN THE BATH like some sort of WEIRD, BIG-TITTED MERMAID. "That's not true at all, I'm just a very dirty girl," the 23-year-old assured us. ***How dirty?*** "I'd like to have sex with a stranger in the aisle of a supermarket. We'd just bump into each other while doing the shopping, and a minute later we'd be going for it." ***Which aisle?*** "Not the frozen food section for obvious reasons. And not near the bananas because they might make the bloke feel insecure." ***To be fair, a BABY CARROT would make us feel insecure. What else should we know?*** "I used to be a stripper and I once danced for Benicio Del Toro." ***The bloke who played Duke the Dog-Faced Boy in the 1988 smash hit,*** **Big Top Pee-Wee*****?*** "Uh, yeah, as well as some other films. Anyway, he was very generous without flashing his money around. He was a good bloke." ***Bet he walked out of there with some EXCESS BAGGAGE down the front of his trousers!***

ASHLYNN // 27

ADELAIDE, SA

We've all been unlucky and had shit nights out. It's the clever ones among us who know how to turn them around. Smart ones like 27-year-old Croweater Ashlynn. "After a shit date one night with a guy who couldn't perform, I headed back out to the club I was at and ended up in a hotel room with a couple. I was her birthday present." ***We doubt she kept the receipt to exchange you the next day. What else gets you wet and wild?*** "Sex with other people watching me is my favourite thing to do." ***What a top pastime. Where does that awesome activity take place? In random carparks?*** "Does the internet count? I love broadcasting myself online. It turns me on to know people are getting off over me." ***We're pretty sure that applies to your photos here.***

TINA // 21

MELBOURNE, VIC

Fuck horse riding, stamp collecting and doing crosswords – 21-year-old stripper Tina says her hobby is staying in bed all day. ***We hope you aren't doing that alone.*** "Of course. I always need a good man." ***What sort of blokes do you go for?*** "Rough and tough. They are the ones I usually end up with. I love ink too." ***Ever taken on more than one?*** "Yes. I had a threesome a few weeks ago. I'd love to include a girl in there next time." ***What do you love about stripping?*** "Just being nude in front of strangers. It's always a really fun night." ***Have you ever been picked up at work?*** "A couple of times, but I try to keep sex and work separate. Sometimes it's really hard, though." ***We'll add you to our Christmas card list. Would you ever go to an orgy?*** "I sure would." ***Atta girl!***

TRACY // 21

YARRA RANGES, VIC

This 21-year-old Canadian wants to work with animals and looks good naked, so it's obvious we need a reality TV show involving a vet nurse who doesn't wear any clothes. ***How did you start posing for Home Girls?*** "I hurt myself and got scarred, so I thought I could never do something like this. But now I have and I feel better about myself. I work hard and go to the gym, so the scar on my stomach wasn't going to stop me." ***See readers, our mag warms the heart as well as the genitals. Was the photo shoot fun?*** "I liked it. I really liked it. It is the first time I've been photographed nude. I'd do it again." ***Coincidentally, we'd have a look at you again, too.***

LUCY // 21

BRISBANE, QLD

While this 21-year-old Pom "enjoyed every minute of being in Australia", she won't go as far as sampling the local tocko, and instead is sticking to the white pasty members of her homeland. "Nothing compares to a British thoroughbred." ***Like Benny Hill?*** "I have no idea who that is." ***Oh, he's dead sexy. Until you find out, though, what turns you on?*** "I like it when my boyfriend is in control." ***Does he tie you up to get you under wraps?*** "No." ***Any different places where you do it?*** "In the car. We were by the seafront." ***Did you give anyone a show?*** "No, definitely not. Thankfully." ***Do you get the gear off when you're at the seafront and go nude swimming?*** "No. And we don't have a pool any more." ***So you were always nuding up when you did have a pool?*** "No, never. I'm not a fan of water." ***Sounds like those rumours we heard about Poms must be true.***

RYANNE // 19

DARWIN, NT

Leaving the frozen wastelands of her Canadian homeland, it is little wonder 19-year-old traveller and bartender Ryanne has ripped off her clothes when confronted with the unfamiliar tropical Top End heat. "I saw an ad on the wall and figured, 'Why not.' I wanted to have a relaxing few weeks in Darwin and these photo shoots helped me do that." ***And they'll help us expel a load on the sheets, too. And in the confessional box.*** "I was comfortable being photographed; a little different, but pretty good." ***Not used to nuding up in public?*** "I've been in a few wet-T-shirt comps and bikini contests, but this is the first time I've gotten nude in public. I don't mind my body. I get lots of compliments on my breasts and butt. I'd have to say they're my best bits." ***After this issue runs, the compliments will come flying and we'll need to extend the mail room again. Which genre of porn is the most beaut?*** "None. I've never watched it and I am not interested in it."

NATHALIA // 28

SYDNEY, NSW

THERE'S something magical about Brazilians. We figure if you name a country after a PUBIC HAIRCUT, the people who live there have no choice BUT to be sexy. And clean-shaven Nathalia here is no different. "I'm a fun, happy and adventurous person," the 28-year-old lab assistant tittered. "I've done modelling in past, but this was my first time nude. I really liked it. It was a lot of fun." ***We're stoked ya did, Nat. What's your favourite NUDE PART?*** "My breasts! I was small-chested before, but I like them now I have implants. They're a D-cup now." ***And what do the fellas reckon?*** "Men love them. It makes me feel so sexy when I feel passion with a man and he caresses my breasts." ***What else gets you in the mood for sexy times?*** "I don't mind watching some naughty movies to start the action." ***And what's your favourite way of taking IN the action?*** "I like sex up against a wall, with the man stimulating my clitoris." ***And we like you, Nat!***

GEMMA // 21

GOLD COAST, QLD

Gemma here is a virgin… at going in THE PICTURE. "It's my first time," the 21-year-old Goldie glamma gawped. "It feels pretty exciting." ***Don't worry, we'll be gentle. Whaddya do for fun?*** "I love playing netball and snowboarding down at Perisher." ***Do you like going to the beach as well?*** "The best thing about living on the Gold Coast is definitely the beaches. I love going down there in my little bikini to tan and go swimming." ***And we'd love to watch. What's the best thing a bloke has said trying to pick you up?*** "I hear some pretty funny ones all the time at work, but I think the best one is, 'You're so beautiful you made me forget my pick-up line.'" ***Naw… now we've forgotten our next question. Erm… tell us your naughtiest sex story.*** "My partner and I went on a holiday and had a few drinks at dinner, and things started to get a little hot under the table. So we went to the disabled toilets and had amazing sex before returning to our table for dessert."

LULU // 26

PARRAMATTA, NSW

"I'll get my tits out pretty much anywhere," boasts 26-year-old exhibitionist Lulu. ***You sound like our kinda gal! Where's the weirdest place you've ever flashed the funbags?*** "What's weirder – on a plane or in a church?" ***We might need a little bit of context…*** "Well the plane was on the way to Queensland and there was a buck's party on the same flight as me and we got chatting and one of the guys offered me $50 to flash them my tits, so of course I did!" ***Not bad. And the church?*** "A couple years ago I was seeing this Italian guy and his family made him go to church each Sunday, so I tagged along to a couple and one time I didn't get to sit next to him so I looked over at him and gave him a quick flash of my knockers… I think his Aunty saw and we broke up soon after." ***Take that Jeebus! Never stop flashing the goods, Lulu.***

TAMIKA // 20

HOBART, TAS

Twenty-year-old Tamika has moved back to her old home in the Apple Isle after a largely nude stint in the sunnier climes of Queensland's Gold Coast. ***Does the colder weather mean less nude outdoor frolicking?*** "No, it's more the opposite now I am back in Tassie." ***Where in Tassie are you flashing your map of Tassie?*** "Wherever I can. There's lots of privacy here. It makes me feel good when people like what they see. It's fun. To be honest, I just love being naked. I even work as a topless waitress sometimes." ***And performing a valuable community service, no doubt. What about swimming naked? Like it?*** "Yes, I like that." ***Even in bastard chilly Tasmanian waters?*** "It feels free and nice." ***Does your love of being seen extend to being filmed or photographed having full-on sex?*** "No, I haven't. I don't think I have any desire to do that, either."

CHELSIE // 27

MELBOURNE, VIC

"I work as an erotic masseuse," says 27-year-old Chelsie. "I like it sometimes, depending on the client." ***You must have, erm, dexterous wrists.*** "Well, a good erotic massage involves using the magic of your hands to combine relaxation with sexual relief." ***And good hand jobs.*** "Yes, I am told I give a good hand job. And blow jobs have been a talent of mine for as long as I can remember. And men love me on top and in the doggy-style position, as they love to watch my face and my womanly backside." ***Just guys?*** "I have kissed a fair few women and been fingered by a woman, but never reciprocated, to be honest. Women just don't turn me on. Kissing is fun with anyone, though." ***And hand jobs. They're fun.***

SADI JAY // 22

DARWIN, NT

This fine-muffed 22-year-old Canadian traveller has had a pants-down dice with death thanks to her love of non-bedroom rooting. "A guy who I was seeing one time wanted to show me this beautiful lookout that he grew up going to as a kid. It looked over his whole town then onto the ocean, and it didn't take long for us to be fucking on the hood of his car."

As one does at a lookout… "He was pounding me pretty hard when I started to realise the car was fucken moving – he forgot to put it in park. Him running with his pants at his ankles and me rolling off the hood half naked would have been a sight to see." ***Must have killed the moment.*** "Even with the interruption, he still made me come hard that night."

CHANTEL // 23

PERTH, WA

"I'm really comfortable wearing no clothes," 23-year-old Chantel purred. "I'm a stripper and I do XXX buck's parties." ***What do you do at these XXX shows?*** "I'm a dominatrix stripper, so I have ball gags, whips, cable ties, candle wax and wax for removing hair." ***Ouch.*** "I have had a few silly guys run out of the show because they couldn't handle the pain, which was stupid on their part because I'm only mean for the first ten minutes. Then they get to have fun." ***We like fun! What type of bloke do you go for when you're not working?*** "I like dominant, manly, buff guys that can take control and throw me onto a bed or pick me up and shag me against a wall." ***Do you like the oral sex?*** "Of course! I don't have a gag reflex." ***How'd you find out you don't have one?*** "I was able to drink beer really fast and after a few, I thought I'd give it a go." ***Beer. Is there anything it CAN'T do?***

"I've always loved THE PICTURE"

PAIGE // 24

REDLAND, QLD

Restaurant manager and occasional model Paige, 24, likes to "keep busy". ***Glad you found time to post us your pics.*** "I have always loved THE PICTURE, so why not have a bit of fun and get to be in such an awesome magazine?" ***We may use you in our next ad campaign. If we could afford one.*** "I love the humour in the magazine and looking at gorgeous girls is always a bonus." ***You don't mind acting on an urge if confronted by a nude spunk?*** "I cannot deny I love my girls. And of course, there is nothing sexier then a gorgeous girl in lingerie. Who wouldn't act on the urge if given the chance? ***You like to use toys when going girl-girl?*** "You are putting me on the spot a bit there. I guess it depends on where we are. If there is anything available, I will. If there isn't, I can always use my tongue."

JESS // 20

PERTH, WA

There's A LOT to love about this 20-year-old Sandgroper bartender. Let's just start off with her CHEST POTATOES. "They're pretty big and lots of fun to play with. I've never had a guy complain." ***Are you single at the moment?*** "Yes. I've been having lots of uncomplicated casual sex with guys I like. It's so much easier this way." ***Where do you find fellas?*** "Through friends or out at parties. I found one guy at a servo recently. I slapped him on the arse and the next thing I knew we were back at his house fucking." ***What's your favourite rooting position?*** "I like them all. I guess doggy is the funnest, but I'll try anything new." ***Have you ever been caught in the act?*** "Only once by my little sister. It was so embarrassing. I'm a bit more careful these days." ***Boo! That's boring! What is the best way to arouse you?*** "I like my nipples played with. They're very sensitive." ***Noted.***

EMILY // 22

PENRITH, NSW

If sex drives were trucks, Emily's would be a B-triple road train. The 22-year-old from Penrith has the biggest libido of any chick we've interviewed for ages. "I'm up for anything. My ex-boyfriend used to get angry at how much I wanted to have sex. I can't explain it." ***Sounds BEAUT. Tell us about your last great root.*** "It was at Lennox Head in December. I met a really good bunch of guys and went back to their place. We had the wildest night and I ended up sleeping with a couple of them." ***Do you like chicks too?*** "Yes, but it's not the same. I'd love to have an orgy with a bunch of guys and girls. That'd be fun. Maybe we could make a porn film." ***What's the worst way to pick you up?*** "Don't be dressed up as a clown. I hate clowns so much. I will run a mile." ***You've just shattered the hearts of clowns all over Oz. What should a bloke do to you in the sack?*** "Go down on me and enjoy it! I love watching a guy passionately eat me out."

SIENNA // 18

BRISBANE, QLD

This 18-year-old Instagram model and bartender is the sort of chick who gets what she wants, when she wants it: "If I see a guy I like at a party or club, I'll just walk up to him and tell him he's coming home with me," explained Sienna. ***What happens if he says no?*** "Nobody has ever said no. I'm very persuasive." ***What's your favourite thing to do when you get him home?*** "I like to have sex on my balcony or in the shower. I like being fucked really hard." ***Fair enough. And what else do we need to know?*** "I like a guy who knows how to please a woman and be dominant in the bedroom. Usually I go for older guys because they know what they are doing and know how to treat me right." ***We're listening…*** "And it's a big plus if the guy I'm with is good with his fingers. It really makes a difference." ***We hear Warnie is single!*** "No, thanks." ***We wouldn't root him, either.***

GABRIELLE // 22

PERTH, WA

Gabrielle told us she was Brazilian, which was nice, but then she showed us her Brazilian and that was VERY nice. “It’s called this because Brazilian girls like to wear little bikinis and we don’t want any pubes to show,” explained the WISE 22-year-old. ***And don’t we love you for it. How long have you been in GOD’S COUNTRY for?*** “About a year now, I love it. I have made many lifelong friends.” ***Any friends with benefits?*** “A few, yes. I like Aussie men because they are a lot more laid-back than Brazilian guys and not as forward. Plus I think they’re sexier.” ***Tell us a sexy romp you had with an Aussie bloke?*** “I had sex behind a nightclub one night in the city. We were hooking up inside, before going out into the back lane where he pulled my dress up a little bit and fucked me hard right there on the street.” ***He was just checking you really were Brazilian!***

SARAH // 24

PARRAMATTA, NSW

It was a happy day for Sarah when at last the boob-fairy arrived and left her with a beaut pair of chesticles. She'd been getting a bit anxious. "I was the last of all my friends to get boobs," the 24-year-old told us. "I was very happy once they arrived." ***Did you run around showing everybody?*** "No, just some of my friends. Men like to play with them now, though." ***We're listening.*** "Mostly they like to suck them and rub their dicks between them. I love the power my boobs have over guys." ***Do you get upset when men stare at them in the street?*** "Not at all. I wear low-cut tops for that reason. I love catching men out, too. Boobs are a great way to meet people." ***We bet. What's your idea of a good night out?*** "A few drinks with friends and a nice barbecue. You can't beat that." ***Sounds almost as good as your tits.***

KIM // 20

BRISBANE, QLD

If you're not already pitching a tent over this photo of 20-year-old Kim, then her camping stories will change that. "My boyfriend and I love to go out bush and fuck a lot under the stars," admitted the barmaid. "Sometimes when we are away from everyone else, I'll spend the day naked and we'll just keep fucking and fucking." ***Good for you. What's your favourite possie?*** "Doggy. I love it hard and fast from behind. I love being held down too. Reverse cowgirl isn't bad, either." ***Tell us about your last rooting experience?*** "I gave my boyfriend head while he was driving the other day. It felt pretty naughty. I like guys who are open to try stuff like that." ***And hopefully ones who can keep their eyes on the road.***

BAMBIE // 21

ADELAIDE, SA

Spraypainter Bambie, 21, knows what sort of bloke gets a look at her panelwork. "Confidence is a huge turn on," she reckons. "Not cockiness, though." ***Are you sure they aren't one and the same?*** "No." ***How do you know you've crossed the line separating cool confidence and cunty cockiness?*** "Confidence is when you have high self esteem. Remaining calm and relaxed in any situation by not letting things or others bother you." ***And cockiness?*** "Cockiness is when you feel as if you need to prove something to someone else. Often bragging about things they have done in the past, whether it is true or not." ***Is bragging about bedroom exploits a big turn off?*** "Yes. Often people who do that are lying or bending the truth." ***OK, we'll keep quiet about the threesome we had with Britney and Angela White, then.***

KYLIE // 22

COFFS HARBOUR, NSW

French backpacker Kylie misses the baguettes from her local bakery in Bordeaux, but that's OK as she's replaced them with the Aussie TROUSER BAGUETTE. "I love Aussie men so much," purrs the 22-year-old. "I think Australian men have the biggest penises in the world." ***Have you seen many different types of shlongs?*** "Not too many, no. But I have seen French, English, Australian and one Chinese man. Of all those, the Australian was the best." ***We'll take that. How'd you meet this dreamboat bloke?*** "It was while I was in Byron. He was a local surfer and he met me in a pub and we had sex for the whole week until I had to start travelling down the coast again." ***We hope you'll keep sampling the local sausage, Kylie. When it comes to BUMPING UGLIES - do you prefer to have a root in the bath or the shower?*** "A spa bath is the best. But you have to make sure you clean it. I heard you can get pregnant from sperm in the spa." ***Really? Please don't tell our neighbours that.***

EMERALD // 24

DARWIN, NT

It makes our boners happy to see a young lady rocking the below fro. "I love my muff," grinned the proud as punch pube owner. "I always get compliments on it from guys." ***Are they surprised to see it?*** "Yeah they are. It's not as common amongst young women anymore." ***Have you shown any of your girlfriends?*** "Yeah, my girlfriends all know about it and love it. Most of them think it's sexy, but still they'd never do it themselves." ***Do any girls ever get a close-up look at it?*** "I've had a few girls go down on me, but I much prefer the guys. I love big, strong, muscly men with tattoos who know what they're doing in bed."

SARA // 21

BONDI, NSW

We all need ambitions in life. Just ask this 21-year-old French backpacker here. She's got a corker. "I want to have a threesome with two guys while I'm out here in Australia. And I want to do it with guys that I'll never have to see again." ***Why's that?*** "I like the idea of it being mysterious." ***Have you ever thought about doing porn?*** "Yes, but I'm not sure I'd like my family knowing about that. My brother watches a lot of porn and he'd be sure to see me. That'd be so weird." ***What kind of blokes are you keen on?*** "I love men who are good with their hands and a bit rough around the edges. They've gotta take care of themselves too and smell nice." ***We'll get the Lynx out.***

FRANCELLA // 25

BYRON BAY, NSW

This sexy Spaniard misses only one thing about her home country and luckily for us it's not the fellas. "I miss my Spanish food so much!" sooked the busty beauty. "You guys have no good cultural food." ***Ah, whaddya call meat pies and pavlova, then?*** "They're OK, but they're no paella and sangria." ***Righto, how 'bout you tell us what you love about Oz? Or we might have to make a quick call to immigration…*** "I love the men! You guys are so funny and sexy and easy-going." ***Have you had any raunchy romps?*** "Yes, I've had a few fun times with Australian guys. I think Aussie guys have the biggest penises of any country I've ever seen!" ***Well recovered, you can stay here as long as you please, Francella.***

ROXY // 20

PERTH, WA

While you're reading this, there's a decent chance this 20-year-old stunna will be playing a bit of CROTCH SOCCER with some lucky bloke. "I'm a nympho. It's that simple," she bragged. "And I'm not really the shy type." ***That's great news. Where do you find blokes?*** "Mostly at clubs or online. I even picked up an older guy while I was shopping once." ***What made you want to get nude in our magazine?*** "I have a friend who was in a recent issue and she said I should try it. I love being nude." ***What are your thoughts on public rooting?*** "Never done it. Wait. I have done that. It was outside a club while I was on holidays. I was so drunk that I hardly remember him." ***What's your favourite possie?*** "Always doggy."

RACH // 22

CAMPERDOWN, NSW

Next time you're in hospital, pray to God that you get looked after by this 22-year-old nurse. "We don't flirt with the patients, but occasionally they will flirt with me," confessed Rach. "One guy in his 90's was trying to pick me up last week!" ***We don't blame him. Who do you like to be picked up by?*** "I like a tradie who is a bit rough around the edges, but really knows how to use his hands. The man I'm seeing at the moment is just like that." ***What's your favourite possie?*** "Doggy. Nothing comes close to it. It always feels kind of kinky, especially if he slaps my bum." ***What do you want to try next?*** "My man has been talking about a threesome, so that might happen." ***You've got our number.***

FLOWER // 21

PORT MACQUARIE, NSW

"My body is a temple," blurts 21-year-old Flower. "I treat it with love and respect." ***Ours is more like a Catholic Church – full of wine, bread and perverted thoughts.*** "I have a strict routine of meditation and yoga and I've recently had a sexual awakening." ***Now we're talking, tell us a little about that.*** "I was at a women's circle out in the forest and we all got naked and explored each other's bodies. I orgasmed in ways I didn't know was possible." ***Have you converted to the ways of MUFF-DIVING then?*** "You can't confine love to just one gender. Love is free, love is wild and should be allowed to pursue whoever it pleases." ***Riiiight, so you're saying you still enjoy the occasional MEAT SWORD?*** "Yes." ***Beaut.***

GEORGIA // 30

SOUTH BRISBANE, QLD

"I've posed for a lot of nude photos, some far more explicit than these," boasts school teacher Georgia. ***Care to share with us?*** "Well I was very rude back in issue #113 of *100% Home Girls*." ***Ah yes, we thought we remembered you. Are they the RUDEST pics you've ever taken?*** "My ex probably has a whole laptop of naughty photos of me. We went through a stage where we'd take some nearly every day. I was very horny when I was younger!" ***Ever try your hand at making a FUCK FLICK?*** "Yep, we made a few of those too. We'd watch them back and wank together and then end up having sex again – it was great!" ***What a wonderful cycle!***

CHLOE // 22

GERALDTON, WA

Heard of that saying 'Mother knows best'? Well Chloe reckons it's all HORSE SHIT. "Mum always said not to talk to strangers," explains the 22-year-old retail assistant. "But how would I ever have a one-night stand if I did that!" ***Wise words. Do you participate in RANDOM ROOTING often?*** "Not heaps, but I wouldn't turn down a cute guy if he approached me. I know some girls play hard to get on principle, but I think they're dumb dumbs." ***We agree. Ever get any dud roots?*** "I've had a couple. If a guy comes too quickly, then I'll convince him to go down on me for a bit so it's OK. The worst are the guys who think they're awesome and just try and jackhammer me for as long as possible." ***What would you recommend?*** "Mix it up – change the pace, technique, whatever, just don't non-stop slam as hard as you can!"

EVA // 21

MORETON BAY, QLD

Brown-hued beauty Eva, 21, loves inflicting pain on others. But rather than play the accordion, work for Barnaby Joyce or program reality TV, she has instead decided to stick needles into people. Fucken sharp ones. "I work as a body piercer. I like to see the different levels of tolerance people have." ***Do you practice what you preach?*** "I have six piercings: nipple, eyebrow, tongue, nose and ears." ***Nothing further south?*** "Nothing yet, but I'm still considering it. I've heard it enhances sexual pleasure, like my nipple piercing does. The slightest touch sets me off, let alone licking it. It just turns me on with a lot more intensity." ***What made you send your pics into Homies?*** "I wanted to pose because I love being nude. I find it liberating." ***Where else do you get liberated from the tyranny of fabric?*** "Beaches, the backyard and when I'm home alone." ***Can we move in?***

ANGEL // 24

GOLD COAST, QLD

Most chicks who move to the Gold Coast are just happy getting a tit job, a Titans season ticket, a gold bikini, and some white shoes. But 24-year-old Angel decided to go one better. "When I moved to the Gold Coast I noticed snakes were quite popular here. I bought one snake and it just boomed from there. Reptiles are like tattoos – you can't get just one. It's an addiction. Now I breed them and even keep venomous snakes." ***Keeps burglars at bay and a lot easier than a Rottie when it comes to cleaning up the turds.*** "A croc is the next on my list. I'm the next Steve Irwin – only with big boobs." ***And you probably look better in khaki shorts. Are guys intimidated by a girl who keeps reptiles?*** "They are, but more so me keeping the venomous ones. They seem to think women can't handle a big, scary, deadly snake." ***Can you handle something else that's BIG AND SCARY?*** "Ha. I'm not sure about scary." ***Depends on whether it's a corn snake or an ANACONDA.***

ALICE // 22

BRISBANE VALLEY, QLD

Despite sending us her beaut pics, 22-year-old Alice still reckons she's a bit self-conscious. "Knowing I'm in the magazine has made me a little less self-conscious, but part of me is still scared about what people will think. I've never even done a nudie run drunk before." ***What about sex in the great outdoors?*** "The most unusual place was a movie theatre. It was good, yeah, but I was worried about being caught. It was pretty packed. It was more for the thrill than the pleasure. I think the fact that we could have easily been caught made me enjoy it so much." ***Did you secretly want to get busted?*** "No, I didn't. That would have been so embarrassing." ***What gets you off in bed?*** "I love my boobs. I love having them sucked and nibbled on." ***Is sex on the beach overrated?*** "Sand gets everywhere. Even if I'm on top, I find sand in unwanted places."

They were the forgotten diggers. A generation of young men who fought for Australia like their fathers before them. But they returned as outcasts, casualties of a war nobody understood. Yet time heals the injustices of the past. Now they are heroes, as revered as the warriors of Gallipoli, Tobruk, Kokoda and Korea. The Bradford Exchange is proud to honour the servicemen of Southeast Asia with the "Veterans Remembered Ring".

A Moving Achievement in Craftsmanship and Design

As a bold salute to our Southeast Asia heroes, this handsome ring has been precision-crafted by the Master Jewellers of The Bradford Exchange and plated in sterling silver for an elegantly gleaming finish. The famous Iroquois 'Huey' chopper looms large and proud in a rich silver-tone from a bed of genuine black onyx. The defining symbol of a generation, the 'Huey' is surrounded by the words 'Veterans Remembered' and a laurel wreath, the eternal symbol of the hero. Each side is flanked by military stars in dramatic raised-relief, while the inner band is engraved with the words every veteran lives by: *Sacrifice • Mateship • Pride*. More than fifty years after the first troop deployment, this message resonates stronger and more meaningful than ever before.
